3. Login

Click on “Login” . It is directed to the login page.

The login page includes the following items:

- 1、Account
- 2、Password
- 3、Register
- 4、Retrieve Password

A screenshot of the 'Account login' page. It features a white background with a blue header and footer. The main content area contains a 'User name' input field, a 'Password' input field, a dark blue 'Log in' button, and links for 'Register' and 'Retrieve Password'.

4. Steps for changing password

The image shows a web form titled "Account login" on a white background with a blue border. The form contains two input fields: "User name" and "Password", each with a placeholder text of the same name. Below these fields is a dark blue "Log in" button. At the bottom left of the form is a "Register" link, and at the bottom right is a "Retrieve Password" link, which is highlighted by an orange rounded rectangle. The background of the slide features a blue abstract design with a building silhouette at the bottom.
