# 1. How to log into the website

Open the browser and enter the website address: <https://yszyn.wtmc.org.cn/>

(Use **Google Chrome, Safari or Edge browser** to open this website in order to gain a better experience as enterprises and exhibitors)

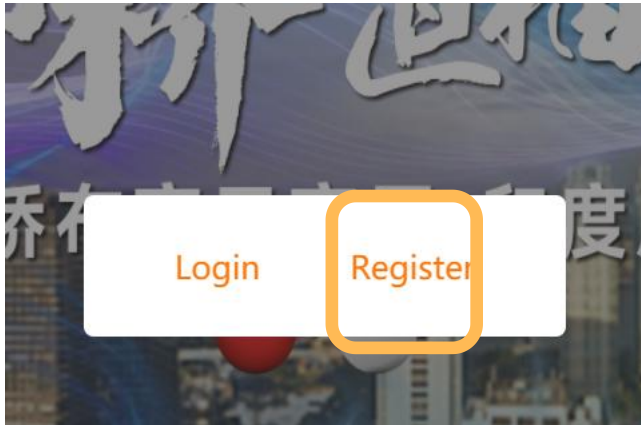

## 2. Register

Click on “Register” .

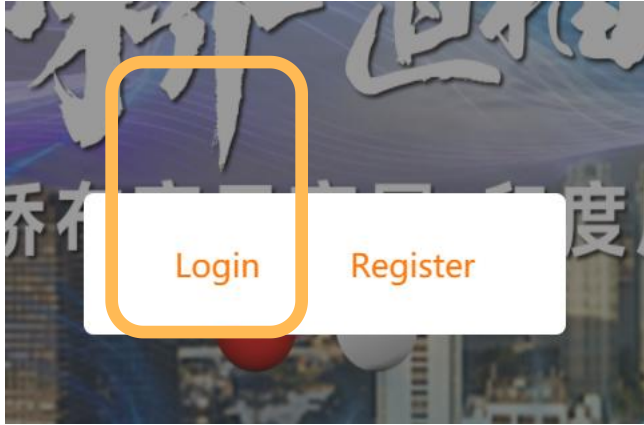

It is directed to the account registration page.

Please fill in the following items:

1. User name
2. Mobile
3. Password
4. Email
5. Industry
6. E-mail verification code

A screenshot of the 'Account registration' form. The form is titled 'Account registration' and contains several fields: a dropdown menu for 'Type' (set to 'Buyer'), a text input for 'User name', a text input for 'Mobile (Required)', a text input for 'Password', a text input for 'Email', and a dropdown menu for 'Industry' (set to 'Please select'). Below the fields is a dark blue button labeled 'Register Immediately'. At the bottom right, there is a link that says 'Existing account?'.

# 3. Login

Click on “Login” . It is directed to the login page.

The login page includes the following items:

- 1、 Account
- 2、 Password
- 3、 Register
- 4、 Retrieve Password

A screenshot of the 'Account login' page. It features a title 'Account login', a 'User name' input field, a 'Password' input field, a dark blue 'Log in' button, and links for 'Register' and 'Retrieve Password'.

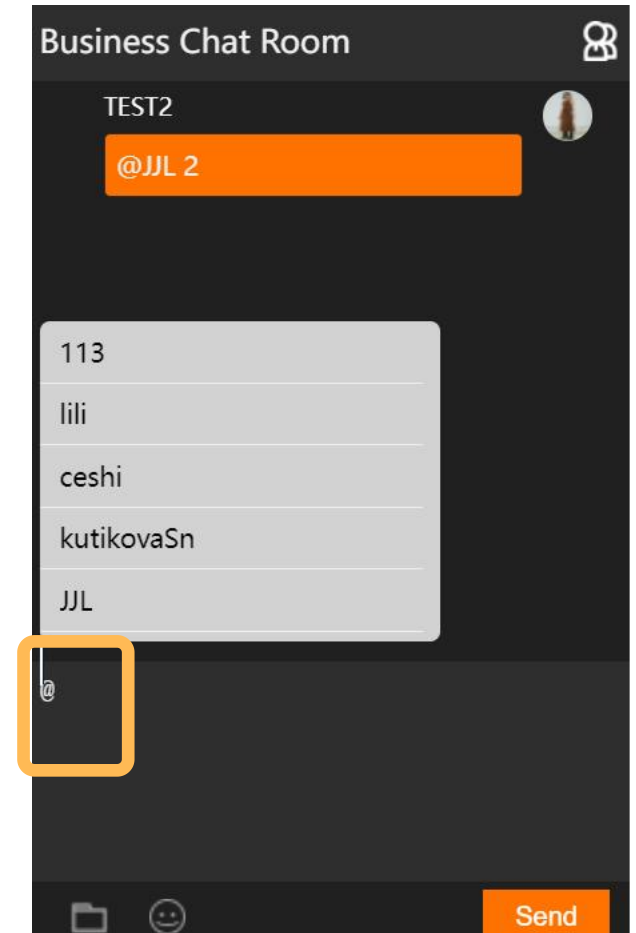

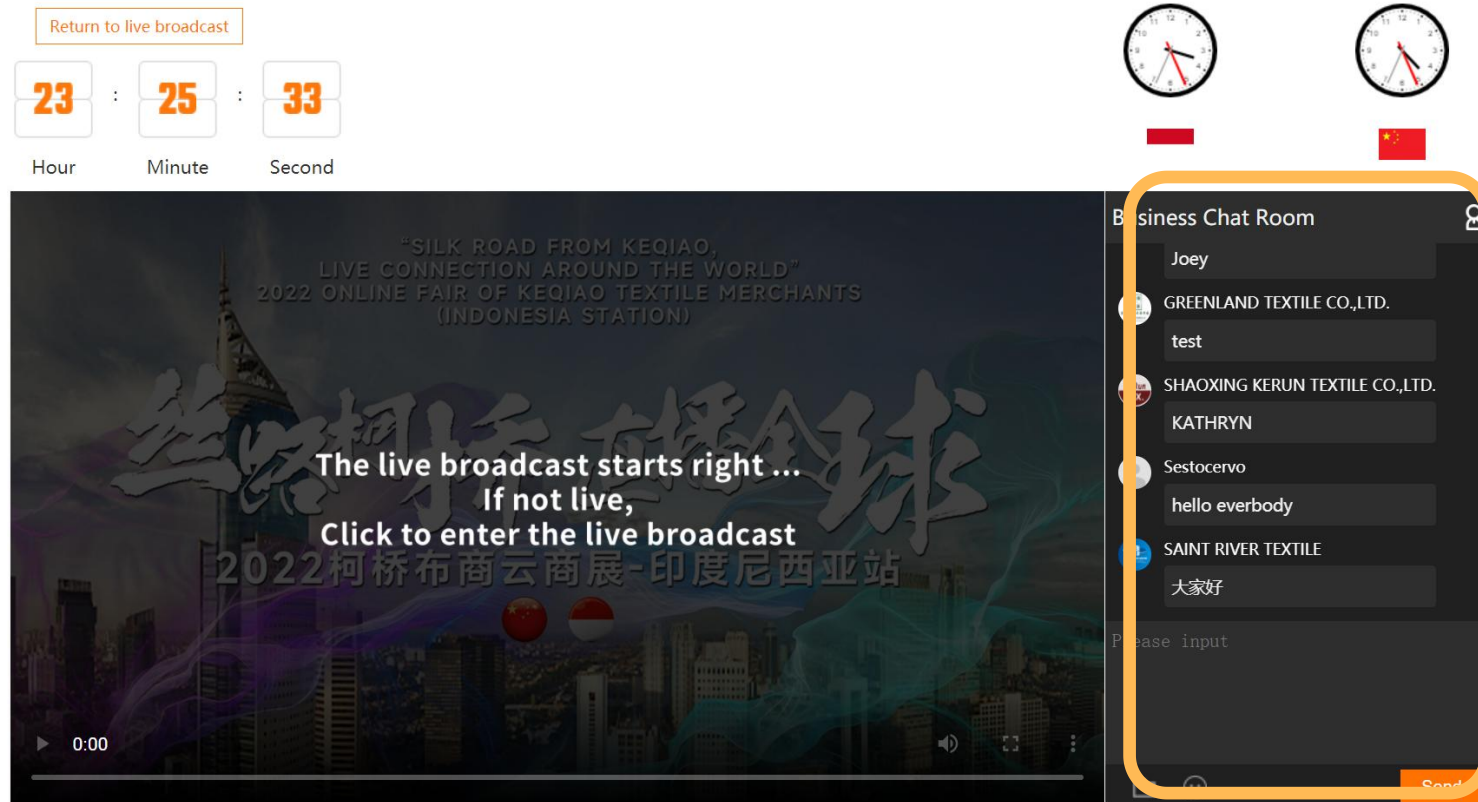

## 4. Steps for changing password

The image shows a screenshot of a web application's login page. The page has a white background with a blue border. At the top center, the text "Account login" is displayed in a dark grey font. Below this, there are two input fields: "User name" and "Password", each with a light grey border and placeholder text. A dark blue button labeled "Log in" is positioned below the password field. At the bottom left, there is a link labeled "Register". At the bottom right, there is a link labeled "Retrieve Password", which is highlighted with a thick orange rounded rectangular border.

After entering the login page, click on "Retrieve Password" in the right-down corner of the login dialog box to reset the password.

# 5. Streaming video watching and business communication

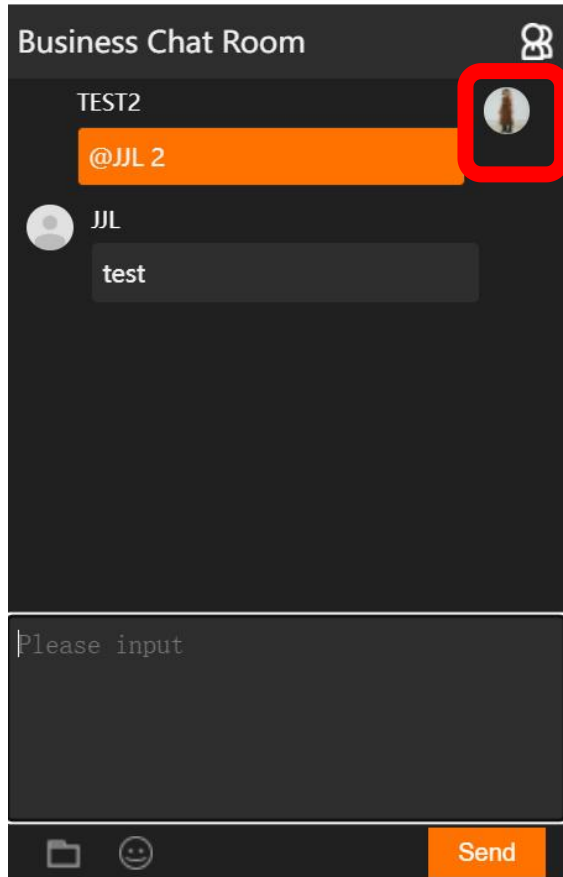

You can view and browse videos on the main page which provides an introduction to the enterprises.

You can communicate and interact with the suppliers to negotiate business in the chatbox on the right side of the video.

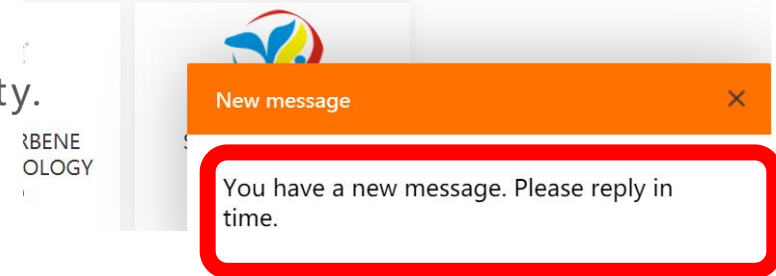

You can @ supplier to remind them of viewing your information

# 5. Streaming video watching and business communication

You can click on the avatar to start a private chat with the other party.

If a pop-up window pops up on the webpage, reminding you that someone is chatting with you privately, you can click the pop-up window to reply.

# 5. Streaming video watching and business communication

The screenshot shows a web interface for searching suppliers. At the top, there is a search bar with the placeholder text "Enter The Supplier Name" and a "Search" button. Below the search bar, there are several supplier logos including SHAOXING YUHUI TEXTILE, Easyway, ARTE, JIANGNUI, and KeRun TEX. A sidebar on the left lists categories: Ladies' wear, Men's wear, Sportswear/Outdoor wear, Homewear/Leisure wear, and Home textile/Others. The main content area displays the profile for a supplier named "ceshi", which includes a profile picture of a woman in a brown dress, the name "ceshi", a rating of "1", an "Enterprise mailbox: 18811787768@126.COM", and "Contact Information: 18811787768". There are two buttons: "Click here to start the video call" and "Chat Now". Below the profile, there is a section titled "Product Introduction" with a row of small product images.

The screenshot shows a private chat window for the supplier "ceshi". The chat history shows a single message with the number "2". At the bottom of the chat window, there is a text input field with the placeholder "Please input" and a "Send" button.

If you are interested in a supplier, you can search the name in the search bar to find the supplier's page, browse more information, or click the " **Chat Now** " button to chat privately.

## 6. Enterprise information browsing and searching
